Advance-Nilfisk Parts - Think about how long and tedious it would really be to tidy up after a party, with out help from equipment. Previously, the dust from upholstery and carpets had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the best cleaning products during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the company in the year 1906, he started to make motors so as to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to own a global business selling merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner which can be operated by a single person as it only weighed 17.5 kilos! This creation came in a time where various cleaning equipment were huge and needed 4 or more operators, thus, the Nilfisk C1 transformed everything and evolved the method we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an existing crisis; things get dirty and need to be cleaned regularly, without a lot of effort.

Gradually but steadily, Nilfisk-Advance expanded throughout the decades. In the 1980s, this growth truly happened the time the business became a part of the NKT Group. Their new owners' drive and concentration made Nilfisk-Advance take a huge leap forward within the business, aspiring to be among the largest international players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in every part of the world by gradually acquiring lots of small businesses in order to grow their product portfolio and presence in new markets. They are really proud to provide a variety of cleaning solutions to fit each and every requirement.
