

Fork Mounted Sweeper

Fork Mounted Sweeper - The forklift mounted broom attachment can truly make industrial sweeping work much easier. Meant for use on either dry or wet surfaces, this mounted broom accessory could squeegee water and push snow easily. This particular accessory is normally used to be able to clean garbage from construction sites, docks, parking lots, warehouses and virtually anywhere it is required. The forklift sweeper is a low maintenance attachment that utilizes quick-tite tine products to effortlessly attach to the lift truck.
